

## WORKSHOP

# INTRODUCTION TO CHILDREN AND YOUTH WITH VISUAL IMPAIRMENT

This workshop will provide an insight into children and youth with visual impairment, the functional and academic challenges, strategies to support a student with visual impairment in class, and the programmes and services provided by iC2 PrepHouse.

Participants will also learn basic sighted-guide techniques to assist these students in safe travelling.

## PROGRAMME OVERVIEW

### CURRICULUM LEVEL 1

Understand the profile of students with visual impairment and their needs.

Assist in creating learning environments that are accessible for students with visual impairment.

### EFFECTIVE COLLABORATION WITH STAKEHOLDERS

Understand the range of resources and support available in Singapore for students with visual impairment and their families.

Establish continuity of educational support between school and iC2 PrepHouse.
